

President's Message

Dear members and friends of Denmark Singapore Club.

It has been a real pleasure to have served the club in the last year. Being a new president to the club and working together with the new committee members to try working towards bringing together all sectors of community has been hard work but nevertheless very satisfying and challenging. Of course all of this would not have been possible were not for the support of our members.

One of Denmark Singapore Club's objectives was to organise events which consolidates various interests of our members. Furthermore we aim to attract and encourage members to attend functions where we would meet like minded people and therefore enjoy.

With these in mind, we celebrated Chinese New Year at the Royal Garden Restaurant. The responds were over-whelming. We were also very happy see a lot of new faces and new members. Members were spoilt with yummy delicious dim sum.

We also held a picnic cum bowling in the summer. However, due to the unpredictable Danish weather, the venue for the picnic was rescheduled at the very day to Ceri and Henrik's apartment 'function room' instead.

Ceri and Henrik tried to communicate the change in the venue to the members (to those that responded to the event), unfortunately they were not able to reach them all. I like to thank Henrik and Ceri for facilitating for the last minute change.

To attract and inject new ideal, we held our National Day celebration at Bakken. Judy had organised a lunch buffet at the 'Dragon House' and members were caught with a good surprise when asked to sing the Singapore national anthem. Members had so much fun and catch up with each other that many precede to a café after the buffet lunch.

We held our Annual General Meeting in January 2007 instead of end of year 2006, due to unforeseen circumstances. We apologise for the late invite of the AGM events and the short lead time given to members to respond and attend.

Due to some technical error we were only able to send out the AGM invite via e-mail instead of traditional mail, for that, we also apologise to those members that didn't receive the invite in their mail box.

Best Regards

Cheryl Tang Tyron

News and Updates

❖ **2007 Committee Members**

3 members were elected during AGM in January this year, and they were Ceri Christensen, Cheryl Tang Tyron and Rozita Buang Andersen.

On the new committee 1st meeting held on 4th February, 2007, Ceri handed in her written resignation as the Club Secretary, as she didn't feel she have received the recognition she had deserved for her work during 2006.

We are sad for her decision, however on behalf of the club, the committee thank her for her voluntary contribution during the last 3 years.

Rozita is the newly appointed treasurer of the club, she has put forward a lot of bright and innovative ideas and we will be hearing from her very soon with regards to implementing improvement of some of the practicalities in the club.

With this being said, the club is currently being run by Cheryl and Rozita. Meanwhile the 2 ladies will work hand in hand while we continue our search for the candidant as the secretary. We would appreciate any volunteers and a helping hands for the events.

You probably know, and are using Betalingsservice already to keep track of your payments to subscriptions, telephone bill, insurance, rent and etc.

The Denmark Singapore Club is joining the Betalingsservice, making it easier for our members to pay their annual membership fee. Pay your membership fee via Betalingsservice. It's the easiest thing in the world, and you will have no worries and payment will be made on time. You thus save any additional hassle; to remind yourself to bring cash and pay at our events.

You can keep track of your payment like all your other bills, such as telephone, newspaper, insurance, rent and etc.

Only need to sign in as member and fill in the application form once, as your membership will continue to be in effect until you sign out.

You can register the bill for automatic payment via Betalingsservice in your netbank. Or you can ask your bank to register for you. Who is Who

Dear members.

My name is Rozita Buang Andersen. I would like to take this opportunity introducing myself to those of you who do not know me. I am married to a Dane, Niels Andersen and we have two boys; Adam age 9 and Jacob age 10.

Due to Niels's job we moved back to Denmark in 2003, and it took me about one year to settle down and feel at home here. In 2005 I decided to join the Denmark Singapore Club again as I remembered it back from 1996/97 when we were also living here in Denmark.

At present I am working at Diakonissestiftelsen in Frederiksberg as Social and Health Assistant. Niels is a Regional Sales Manager in the export department at Ambu. Our two boys attend grade 3 and 4 respectively in Ny Hollænderskolen.

That is all about my family and me for now. I am looking forward to meeting all of you at our various events that we have planned for this year.

Best regards,
Rozita
