

Committee's Message

Dear members and friends of Denmark Singapore Club,

It is about time to send you the second quarter newsletter. We like to highlight the first and the upcoming events for this year.

The first event of the year was Chinese New Year Celebration and it was held at a Thai Restaurant. Restaurant was chosen as we got a good deal from the owner. Besides it is a different kind of food than the typical Chinese food of which most of you are known for. We thought that it was a great idea to have a different kind of food then normal as many of you can cook better and delicious Chinese food and delicacies.

On top of the food, the members each received an ang pow with discount of 10% for their next visit to the restaurant, whereas the children each received an ang pow with cash in it. In addition to that each family received two mandarins. These are normally the CNY tradition which we thought would have been good idea to add in for our future generation.

Apart from exchanging contacts and messages with each other over the lunch, Rozita's also took over the treasurer's job from Judy with Jillian as a witness that day.

At this event the committee also decided to, on behalf of the members, give a token of appreciation to Ceri whom had served as the Clubs secretary for 3 years. Unfortunately she was not there therefore Henrik received the token on her behalf.

The members have had a great time after lunch and with the great weather, we decided to walk along the lake and head to planetarium café and have our afternoon coffees. It was fun to see that the kids are running around and playing where parents can sit down and talk again. Of course there are some instances where parents have to chase after their kids. That's normal, kids are kids.

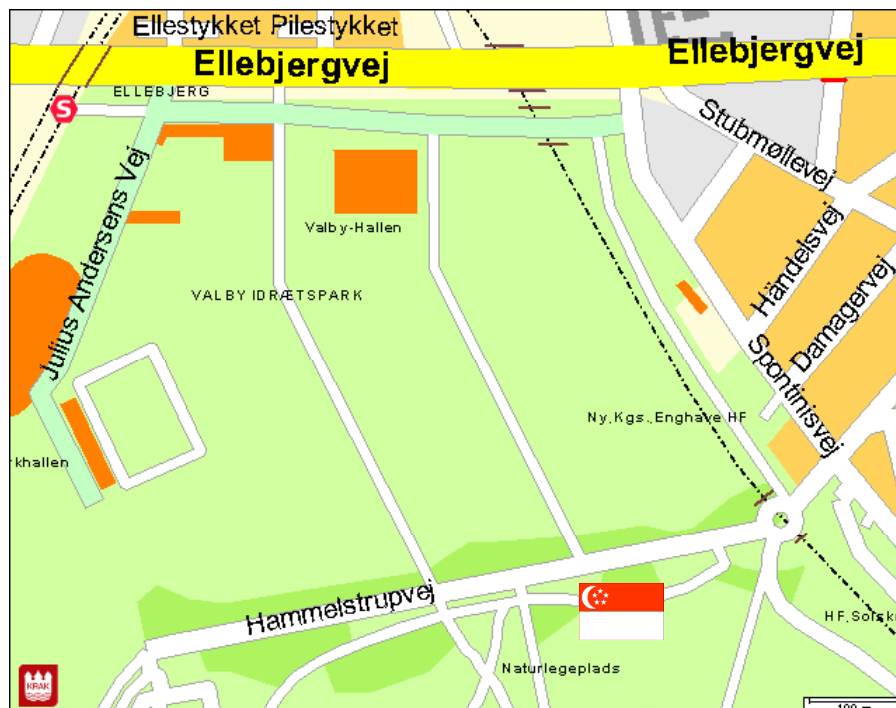

The day ended around five in the evening. We hope to see more of you soon in the next upcoming event.

Please insert the fee into Denmark Singapore Club's account in Danske Bank account no. 3121-3121417472. Remember to note your name on the transfer, as we otherwise wouldn't know whom the payment is from. You can do the transfer by visiting any branch of Danske bank, or use net banking if you have these facilities.

Membership fee for individuals is DKK 100 and fee for families is DKK 200.

Betalingservice is in operation, and we would also like you to sign up for this as described below. We will not charge you twice for the 2007 member fee, but it will ensure that your fee for 2008 is settled without hassle to you and us. You will see the annual fee appear along with your other payments on the payment summary you receive from Betalingservice in January 2008.

(To get the name and password from the old committee)

- ❖ Denmark Singapore Club e-mail address

Have you noticed the sender of this newsletter? We have tried to make it easier for you and every one else to contact the committee of the Denmark Singapore Club.

For all correspondence to and from the committee members, we will in the future only use one e-mail address:

denmark-singapore.club@hotmail.com

Thereby you do not need individual addresses for the committee members, and when the members in the committee change after an AGM, the new committee will have access to this e-mail account.

- ❖ Contact List For Members

We are making a list of all our members available for every one to keep in touch. A preliminary version was circulated at the last event, and updated by those present. In order to make the list as updated and accurate as possible before distributing it, we will be circulating this list again at the next event. If you do not plan to attend the Summer Picnic, it will therefore be appreciated if you could send us your address and contact details to denmark-singapore.club@hotmail.com to facilitate the updating of the list.
